* Richard (Dick) Baznik has been with Case Western Reserve University since 1968, working under nine different presidents. In addition to his service as the University Historian, he is currently the Director of the Institute for the Study of University in Society and has held countless, vital leadership roles in various institutional endeavors, including his present duties on the University Plan steering committee. He is one of the most well-respected members of the University community, and the GSS is fortunate to welcome him as our guest.
